DUVAL LODGE NO. 159, F. & A. M. — NOVEMBER 2022 — VOL. CXVII, ISSUE XI

From the East

Fraternal greetings my Brothers,

Its November already my Brothers and I am proud to report our successful family night last October 18th and that the same night we invited the parents of Brother Shaun DeLong to witness the dedication of the Lodge patio and officially named The Shaun DeLong Fellowship Patio. And I would like to give thanks to everyone of us who participated and shared their favorite dishes.

On the 19th of November, please mark your calendar for the blood drive with the OES Southside Chapter No. 28 and hoping to see you all. This event starts at 10:00 a.m. to 3:00 p.m.

Fraternally yours,

W.: Edwin J. Bunag
Worshipful Master

The Western Wind

My Brothers,

This month reminds us of the act of giving and coming together to help one another. As author Les Brown once said,

"As the sun sets in the West..."

"In every day, there are 1,440 minutes. That means we have 1,440 daily opportunities to make a positive impact."

As Masons we should remember this quote and let us never forget to always be there as a guide and helper to those less fortunate during our time here on this Earth. God Bless my Brothers, and Happy Thanksgiving to you and your families.

Respectfully,

Bro. Mike Fay
Senior Warden

Southern Exposure

My Brothers,

Greetings from the South. As we head into a new month let us continue to improve ourselves and each other as a craft. Great work Everyone involved with the degree.

"As the sun is in the South..."

Respectfully,

Bro. Eric Finch
Junior Warden

The Secretary's Desk

Brethren,

This time each year I must review the lodge membership rolls and every year at least half of the names are men I have never met. Freemasonry is all about fellowship. If you haven't been to a meeting lately there are many brothers like myself who would be delighted to meet you. Don't be a stranger!

Have a safe and happy month,

W.: Thomas Sharp,
Secretary

Masonic Leadership Training

Courtesy of the M.:W.: Grand Lodge of Florida

The Masonic Leadership Training Program is now in its eighth year. ities and those that aren't.

The curriculum provides guidelines for training and development and is designed so that no Brother is shorted in his Masonic Education. A good officer understands that empowering those behind him with knowledge, duty, and responsibility is the greatest legacy they can leave for their Lodge.

When this material is properly presented, it can make the difference between a well operated Lodge with plans and goals, and a misguided Lodge with none; between Lodge officers that are aware of their responsibilities and those that aren't. A good officer understands that empowering those behind him with knowledge, duty, and responsibility is the greatest legacy they can leave for their Lodge.

Masonic Leadership Training is offered locally through the Scottish Rite Valley of Jacksonville. For more information contact W.: Mike Worden, PM, Duval's Masonic Education chair, at mgworden1957@gmail.com. 🍷
